About us

DE'ES CREST LIMITED is a multidisciplinary solutions provider specialising in medical and laboratory equipment supply, laboratory consultancy, ICT, engineering and procurement solutions for organisations across diverse sectors.

Integrated expertise. Practical solutions. Lasting value.

Our vision

To be a trusted partner for integrated supply and technical solutions.

Our mission

To deliver reliable products and responsive services through technical expertise and efficient sourcing.

Our values

Integrity | Quality | Innovation | Reliability
Excellence | Professionalism | Customer Focus

OUR CORE BUSINESS AREAS

Medical & laboratory solutions

Medical & laboratory equipment

Laboratory and medical equipment, diagnostic test kits, reagents, consumables, analyzer accessories, PPE and infection-control products.

Laboratory consultancy

Laboratory planning, equipment selection, replacement planning and vendor coordination to support dependable laboratory operations.

Supporting healthcare, research and laboratory operations.

CONNECTED CAPABILITIES

Engineering, ICT & procurement

Engineering & industrial supplies

Cables, switchgear, lighting, motors and pumps; pipes, valves, flanges, gaskets, bolts, fasteners and power-transmission components.

ICT solutions

Computers, servers and printers; networking, structured cabling and racks; IT asset management, software procurement and technical support.

Procurement & supply chain

Local and international sourcing, RFQ/RFP management, commercial evaluation, negotiation, purchase orders, expediting and delivery coordination.

Maintenance & MRO

Preventive and corrective maintenance, inspection and troubleshooting; spare parts, tools, PPE, lubricants, sealants and workshop consumables.

WHY CHOOSE DE'ES CREST?

One partner across disciplines. Quality products, cost optimisation, responsive technical support and timely delivery for supply continuity.
